## **SUNWIZE OPENS SALES OFFICE IN WILLITS, CA**

**Kingston, New York, October 23, 2003** - SunWize Technologies announces the opening of a new Northern California sales office in Willits, California. Wayne Robertson and Vicki Wallace, formerly of RWE Schott Solar Inc., joined the SunWize Sales team to provide service and support to dealers with off-grid and grid-tied applications.

David Holt, General Manager, Western Region for SunWize, stated, "Vicki and Wayne bring valuable experience to their roles as sales managers at SunWize. Dealers can call them for design assistance, to place orders, track shipments, or check stock." Holt added, " Their commitment to customer satisfaction is contagious and their continued success can only be enhanced with their integration into the SunWize team." In the near future, the Willits office will also offer a stocked warehouse for the convenience of dealers who prefer to pick up orders. To order a product catalog, contact Vicki Wallace or Wayne Robertson by telephone, 800-344-2003 (the oldest continuous 800 number in the solar business).

### **About SunWize**

SunWize Technologies, a solar technology company, specializes in the design and manufacture of integrated solar power systems, and associated project development and product distribution. The company operates a manufacturing/distribution facility in Kingston, NY and a distribution center in Oxnard, CA.
